### **Core Values**

Internexia's five core values drive our organization. These core values steer our development and provide answers to challenges.

- **Collaboration** – We believe in sharing our knowledge and expertise; collaboration allows us to improve resources, creativity and innovation.
- **Community** – We seek to contribute to the wider learning community; Internexia promotes ideas to support accessibility and to reach learners wherever they are located.
- **Environment** – Internexia is committed to the environment and is working towards obtaining ISO14001 accreditation.
- **Innovation** – We strive to develop creative products with the potential to bring about change; Internexia continually integrates new technologies and tools into our content and delivery services.
- **Service Excellence** – We believe in giving the best support services to our customers to ensure that we meet their needs.
