

Vincent and Friends is about the adventures of two lovable children, Eddy and Rose, as well as Rose's pet rhinoceros, Rhina and Eddy's paintbrush, Vincent.

Eddy takes a paint box home to find that Vincent has magical powers. When dipped in water, Vincent becomes a talented artist. His paintings are doorways to adventures for Eddy, Rose and Rhina.

Rose and Eddy learn about the world around them through Vincent's paintings. They learn to seek information, ask questions, and solve problems. In their adventures, they learn to communicate with other children and adults from all over the world.

Have a brush with magic! Join Vincent and Friends on their adventures on RTM TV2 every Monday at 8:30 a.m.!
